

FISCAL NOTE

HB 777 - SB 1947

March 21, 2005

SUMMARY OF BILL: Gives each citizen of this state intellectual property interest in such person's DNA which cannot be used for stem cell or similar research or cloning without permission of person with the property interest; does not affect the use of DNA for identification or its admissibility in evidence.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Increase Local Govt. Expenditures – Not Significant

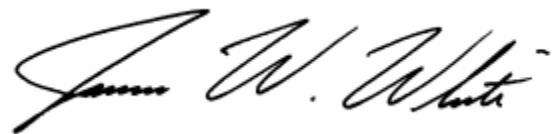

Increase Local Govt. Revenues – Not Significant

Assumption:

- Some increase in cases in the court system, which will result in additional state and local government expenditures to processing the cases and additional state and local government revenues from fees, taxes, and costs collected. These increases are not estimated to be significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with a long horizontal stroke at the end.

James W. White, Executive Director
